PROFILE

Creative designer with experience in visual storytelling, marketing creatives, branding, and digital design. Skilled in creating engaging visual content across social media, campaigns, and user-centered digital experiences. Passionate about building culturally relevant and visually compelling brand communication through design, motion, and creative strategy.

WORK EXPERIENCE

TITAN
July 2026 - Present

Creative Design Intern

- Designed and adapted 360° marketing creatives across performance marketing, CRM, website, retail, and new store launch campaigns.
- Created digital and retail assets including Meta/Google ads, WhatsApp/RCS/emailers, website banners, in-store communication, festive campaigns, and hyperlocal creatives.
- Managed creative adaptations, localization, versioning, and brand hygiene across platforms, regions, languages, and campaign requirements.
- Collaborated with CRM, Digital, Retail Marketing, Website teams, to manage briefs, feedback, revisions, and timely campaign delivery.

WILLIAM PENN
Dec 2025 - April 2026

Visual Designer / User Experience Design Intern

- Designed stage-wise email creatives and visual assets for customer engagement and marketing campaigns.
- Collaborated with marketing and product teams to create conversion-focused digital creatives.
- Conducted UX audits and heuristic evaluations of the Sheaffer e-commerce website to identify usability issues.
- Developed improved information architecture and wireframes to streamline browsing and checkout flows.

CENTRAL SILK BOARD
Jun 2025 - Aug 2025

Design Research Intern

- Conducted field research across four South Indian states to evaluate the impact of the SAMARTH skill development scheme in the silk industry.
- Interviewed artisans and analysed program data to assess changes in income, livelihood stability, and women's participation.
- Co-authored a research paper documenting findings on skill development outcomes and economic impact.
